

Family Owned.....Since 1962

Pictured (L to R): Patrick Ryan, Pat Ryan & Erin Ryan

Founded by Pat Ryan and his late brother Paul Ryan, Ryan Brothers Ambulance has been serving Southern Wisconsin since 1962. Now, under the direction of Pat Ryan's son's, Patrick & Erin Ryan, Ryan Brothers Ambulance has grown from 3 ambulances and 15 employees in 1997 to 5 locations, 12 ambulances and over 5 times the number of employees.

As an inter-facility company, Ryan Brothers Ambulance responds to hospitals, nursing homes, clinics, assisted living facilities, Hospice Care, Inc., and private residences, typically initiated through home health organizations.

As a 911 provider, we cover approximately 20,000 residents in 92 square miles in and around Fort Atkinson.

As Ryan Brothers Ambulance continues to grow, we are constantly in search of experienced individuals who enjoy helping people in a fast-paced environment. From EMT Basic to Paramedics & nurses, we would like you to join our family.

Life at Ryan Brothers

Life at Ryan Brothers is exciting, unpredictable and challenging but most of all, rewarding. As one of the largest private ambulance services in the area, we provide service to Level 1 Trauma institutions as well as outlying local hospitals. This creates a huge diversity in the patient populations we treat and the skill levels they require.

The challenge and thrill of not knowing the "whole picture" before taking over patient care and having to think on your feet is unpredictable. This is why you have to keep your assessment and critical thinking skills always up to date and advancing. RBA provides the necessary top of the line equipment and training that gives us the tools to provide the quality patient care the company reputation was built on.

This reputation is what makes working at Ryan Brothers unique. Through teamwork, we combine different backgrounds & personalities to strive to be the best in patient care delivery.

Most of all, working at RBA is personally rewarding because you go home knowing you have made a difference in the lives of your patients and their families.

EMS Success Starts Here

MISSION STATEMENT

 **AMBULANCE** strives to provide the highest quality pre-hospital patient care with skill, professionalism, and compassion. This is achieved by placing our patients' needs first, and treating every patient as if they were a member of our own family.

"The overall operations of this company, from top to bottom, are nothing less than first class."

- Tom Emrick, City of Fort Atkinson Fire Chief

- ✓ *Responsiveness and compassion for our patients' needs.*
- ✓ *Safety of our patients, customers, and employees.*
- ✓ *Integrity, honesty, accountability, and personal responsibility of our employees.*
- ✓ *Dedication to the communities we serve.*
- ✓ *Efficiency of our work.*
- ✓ *Ethical, respectful, and trustworthy interactions with all individuals we work with.*
